

BRAINS & ARMS

"For the right questions & the best answers!"

BRAINS & ARMS BRINGS MARKETING SOLUTIONS TO LIFE & EVOLVES BRANDS.

X X X

For the sake of a company, product or an existing brand true understanding and deep collaboration with clients is key. Research, planning, realizing and analysis of original and new work are always part of any work to ensure economic and ecological success.

- Engaging copywriting, unique & breathtaking
- Strategic concepts for brands & identities
- Dialogue driven love letters & campaigns
- Alive Communication & stunning Promotions

If areas like media buying, any production or PR are defined, I hand-pick and recommend or cooperate with the best fit for each client.
